

# HAWTHORNE HOMERS AGAIN BURY SOUTH

Savage power-hitting by Hawthorne kept South High in the Bay League baseball cellar Thursday as the strong-armed Cougars romped to their second consecutive win over the Spartans, 8 to 3 on the loser's field.

Battling to remain in the circuit title chase, Hawthorne unleashed a five-run inning scoring binge to move ahead of the Spartans.

Gary Mykkanen, All-CIF basketball ace for the Cougars, led off the second frame with

a double and Jerry Cas promptly proceeded to club Hawthorne's first homer to overcome South's first inning run.

Before South could retire the side, grid hero Bill Daquila crashed a solo fence-clearer and pitcher Ty Goodman sewed up his own victory with a two-run circuit clout.

The Cougars added a little frosting with another run in the fifth and two in the sixth.

ALL TOLD, the Hawthorne

nine rapped 12 hits off two Spartan hurlers, including another double by Mykkanen. South could manage eight hits off Goodman as he chalked up his first league victory without a defeat.

Two South chuckers, starter Ken Turner and Rich Walters could not contain the mighty Cougars, and Turner went down to his second loss against one victory.

Turner made an attempt to aid his own cause when he

blasted a triple, and his catcher, all-leaguer Jim Berry tried to come to his aid with a double, but it was Ron Jonas and Rich Grossmann who wound up with the RBIs for the losers.

FOR THE winners, Cass, and Goodman each drove in a pair of tallies, while Les Johnson and Daquila accounted for singleton tallies.

It was just another loss in a long, frustrating streak for

the Spartans. With only a victory over Santa Monica to its credit, South reposes in the loop cellar with a 1-6 mark.

Morningside, after whipping North in two crucial encounters, sits squarely atop the standings with a 5-0 record. Hawthorne is next in line at 6-2, while North and Redondo follow at 5-3.

On Tuesday, the Spartans will get a chance to climb out of the basement as Leuzinger, holding a 1-4 slate, visits the South diamond.

## Bulky Steeplechase Field Goes at Ascot Park Today

Defending champion and national titlist Dick Dorresteyn of San Pablo rules the favorite today against a bulky field of 111 riders in the 100-lap Jimmie Phillips Memorial motorcycle steeplechase at Ascot Park, Gardena.

Qualifying to determine the fastest 30 riders for the marathon American Motorcycle Assn. even will start at noon. The first race over the winding Tourist Trophy

course will begin at 2:30 p.m. It will be a 10-lap semifinal event among the next 15 fastest riders and will qualify three additional riders for the big race.

Dorresteyn will face a field deep with contention, including such stars as former national champion Joe Leonard of San Jose, Dick Hammer of Lakewood, Dick Van Leeuwen of Bellflower, Jack O'Brien of Santa Monica, and Jack Simmons of Long Beach and Ed Kretz Jr. of Monterey Park.

HAMMER, who was Dorresteyn's chief steeplechase rival during 1961, finished second in last year's 100-lapper. Time for the race was 1 hr. 26 mn. 59.74 sec.

Sunday's race is the only one of the year which includes riders of all divisions - expert, amateur, and novice. All riders are eligible for qualification trials, according to racing director J. C. Agajanian.

TWO OUTSTANDING newcomers are expected to break into upper echelon competition. They are Eddie Mulder of Lancaster and Guy Louis of Bellflower.

Oval track racing will be touched off Friday night, April 6, at Ascot when Neil Keen

## Houser Sets Swim Record In BH Meet

Chalking up two wins and a third, including a national record performance, Phil Houser of Torrance dominated the 13-14 age group in the recent Southern Pacific Age Group Swim Meet at Beverly Hills.

Houser, representing the South Bay Swim Club, established a record of 2:19.2 for the 200-yard backstroke. It was the first time the event was swam in Houser's age bracket.

The local water wizard also captured the 100-yard butterfly and was third in the 400-yard freestyle.

Another crushing performance was turned in by nine-year-old Martin Pedley of Manhattan Beach. Pedley broke the 28.4 50-yard freestyle record in the 9-10 year old age group with a 28.1 clocking.

Pedley, swimming for the Aquamarine Swim Club, also won the 50-yard butterfly and finished second in two other events.

For the first time since he joined the League, Bob Cousy of the Boston Celtics, did not make a first team berth, he together with Richie Guerin of the New York Knickerbockers are the backliners on the second All Star team. Prior to this year Cousy had been selected for 10 consecutive seasons to the first team. Pettit gains first team distinction for the eighth campaign in a row.

The second aggregation includes, in addition to Cousy and Guerin, Tom Heinsohn and Bill Russell of the Boston Celtics, and Jack Twyman of the Cincinnati Royals.

Although dozens of individual ballots were cast, each of the nine cities in the League was accorded one full vote in order to equalize the voting. A perfect score, not attained by any of the All Stars this year, would be 1,000. This would indicate that the player had received a first team vote on every individual ballot cast. Closest to the 1,000 mark was the .858 index of Baylor. Robertson tallied an .857. Stated otherwise, Baylor, for example, received 858/1,000th of the total votes cast.

The competition for the center position between Chamberlain and Russell was the closest, with the Philadelphia receiving an index of .670 to Russell's .628. Chamberlain receiving a total of 45 first team individual votes and 41 second team individual votes. Russell came up with 44 first team votes and 38 seconds.

## Tribe Nine Hosts Hawks For Crucial

Following an encounter Friday with L. A. Harbor College, El Camino College horsehiders host the Long Beach Vikings on the Warrior turf Friday.

Despite weak pitching in Tuesday's battle with Santa Monica, El Camino managed to push enough men across the plate to come up with a 9-7 victory.

EC veteran Ted Sprague started the three-hour sea-saw battle and left abruptly in the third inning after a barrage of six hits drove five Corsair tallies across the dish.

Fireman Ray Wilson came on in the third and dampened Sano's threat.

Santa Monica put another run on the scoreboard in the seventh and added a final tally in the eighth inning.

El Camino impressed the scoreboard early in the first. Lead-off man Frank Van Patten opened the inning shooting an error ball down to Samo third baseman Jim Whitmore.

He scored on Keith Erickson's 400-foot blast over the barriers. Bob Pier followed Erickson on the basepaths after Santa Monica hurler, Mike Proett, bounced the spheroid off the EC leftfielder.

Pier scored on a wild pitch and a safety by Ed Beckwith.
